Group services, educational forums and training may be offered. Please visit the DKS pages of our website www.familyserVICEToronto.org for more information and for resources we may recommend.

We provide service to clients from many different communities throughout Toronto. We recognize that oppression and discrimination are always factors in the lives of our clients and we offer an environment of safety and respect.

We are inspired by the many varied contributions of the late David Kelley – a vibrant individual, social worker, activist and advocate for gay men, lesbians, youth and people living with HIV/AIDS. David was one of the founders of the Toronto Counselling Centre for Lesbians and Gays (TCCLG), which merged with FST in 1996 to create David Kelley Services.

COMPASSION. COMMUNITY. CONNECTION.

At Family Service Toronto, we're passionate about helping people. We are one of Toronto's oldest non-profit social service agencies, serving more than 12,000 individuals and families in need each year and advocating for people who are marginalized. Our solution-focused services help to strengthen families and individuals, and build healthier communities for everyone.

Our range of counselling and community support programs help people struggling to cope with everything from depression to physical abuse; sexual orientation issues to marital problems; and intellectual disabilities to the challenges of getting older.
